Blue Hills Community School October 2, 2017

Picture Day

October 18th is picture day. Class photos will also be taken on that day. Pictures will begin after the photographers arrive and set up. It is usually around 9 am.

The school does not know exactly when individual photos will be taken or the class photos. If you wish to be here when photos are taken then please come at 8:45 and wait for your child's class to go down.

Photos will NOT be pre-ordered. Every student will have a photo taken. A few weeks later a proof will be sent home showing parents different back drops and poses of their children.

Parents may order the pictures if they wish to. Orders must be brought back to the school by a set date which should be marked on the proof. You can order online if you want and pay by credit card. Otherwise all orders can be sent to the school and paid by cheque or cash.

Please be aware the school will not be making change (money) for orders so please put the exact change in the order envelope.

Please return the student profiles that were sent home the 2nd week of September. They are important to return for a few reasons. They update any important information like medical conditions or phone numbers. They are also used as proof of your child being registered at our school for the year they are sent out. Plus the last page contains FOIPP permissions that the school division requires in dealing with personal information for your child.

Please make sure to sign and date the 2nd page and sign on the lines of any of the FOIPP permissions you agree to. If you agree to none then please leave it blank.

Junior high fees are due. They are \$20.00. The fees are for shop at LCPS.

If you were one of the families that received a letter requesting identification for your children and you have a birth certificate, then please send in the birth certificate or make copy and send it in or fax a copy to the school, 780-928-2299. If you do not have one please contact Ivy Lane. They will be able to help you order one.

Pre ECS

The school is thinking of starting classes in January and maybe having 2 classes a month from January until May. Some months we may not be able to have classes twice in a month. Another change would be having it in the morning from 9am-11am or 10am-12pm. Please call the school or speak with a school council member about how you feel about the school running Pre-ECS in this manner.

Please call the school to let us know if you have a child that will be attending Pre-ECS.

Students and parents please remember that all personal electronic devices are not allowed in the school. There is an issue with junior high students going to the washroom to use these devices during breaks and class time. If students are caught with the devices it will be confiscated. First time it will be given back at the end of the school day. Second offense the parents will need to come to the school to pick up the device. Thank you for your cooperation with this matter.

BHCS will be having lunch with Central Office personnel on October 17th. We will need volunteers to cover supervision starting at 11:55 until 12:30. Please call the school if can help with this event.
