Often we have heard parents say .. They would love for their child to get some fresh air during school. The winter has been mild so far, and the teachers have taken advantage of it by taking their cohorts outside. Please continue to have your child dress warmly, so they can participate and enjoy outdoor activities.

On Tuesday, January 19 The school will be taking Class pictures. A staff member will be taking the picture. The pictures will be sent home with the students when ready.

At the school here we have a Basic License Driver's handbook for the Junior High Students to study. We do ask that you leave a \$20 deposit. When you return the book we will give it back to you.
