Wow! The Pizza lunch and the Subway Lunch seem to go over really well. The turnout has been great so far. Thank you!

Great news!! Our Superintendent has informed Principals that Pre-ECS is permitted in schools after Easter!

Pre-ECS is a program that helps children get comfortable with the school environment before starting Kindergarten. Children will be introduced to early literacy skills, free play, fine motor skills, colours, shapes, basic routines and other concepts

Please spread the word around the community. We will share information as it becomes available.
